Pioneer Football League names 576 student-athletes to 2016 Academic Honor Roll

ST. LOUIS, Mo. – The Pioneer Football League has recognized 576 student-athletes from its 11 member institutions to the Fall 2016 PFL Academic Honor Roll.

A complete listing of all student-athletes named to the honor roll, listed alphabetically by member school, follows this release.

The now 11-team league saw more than 550 student-athletes recognized on its honor roll for the fourth consecutive year. The University of Dayton (79) and Butler University (75) each placed more than 70 student-athletes on the honor roll for a second straight year. In addition, Marist College (52) and Jacksonville University (48) each saw a record number of student-athletes named to the league's honor roll.

Pioneer Football League athletic director and coaches established the honor roll as a way to recognize the league's outstanding student-athletes. The academic honor roll consists of student-athletes who participated in football at member institutions during the fall semester and posted a 3.0 grade-point average or higher during the semester while enrolled full-time in accordance with NCAA rules.
