c - co-champions

- Jacksonville vacated its 2010 co-championship as part of penalties for PFL rules violations.

Notes on PFL Championship: From 1993-2000 - and returning to the format in 2005 - the PFL was composed of one division and the championship was awarded to the team with the best conference record. From 2001-2005, the league expanded and split into two divisions with the divisional winners, who were the teams with the best record against divisional opponents, facing off in a championship game, the winner of that game was awarded the league's championship.

NOTES: The PFL records on this page reflect PFL penalties imposed against Jacksonville (# - vacated 30 wins during the 2010-14 seasons) and San Diego (% - vacated 7 wins during the 2013 season). In accordance with NCAA policy, the wins and ties, but not the losses, of the penalized team are dropped from its PFL record only. The won-lost records for each of the opposing teams are not changed when games are vacated. In addition, the overall records for both teams were not changed.
