Sports Medicine

Dear Men's Tennis Athletic Trainer,

On behalf of Davidson College and the Athletic Training Staff, I would like to welcome you and your team on your upcoming visit to Davidson College. The Athletic Training staff is willing to assist you and your athletes in any way possible to make your visit a pleasurable one.

The athletic training room is located in the Baker Sports Complex for any taping and treatment needs. Modalities are available for your use including ultrasound, electrical stimulation, warm and cold whirlpools, hydrocollator, and ice. The athletic training room will be available for your use 2 hours before and 30 minutes after the conclusion of the match. If you have any special needs, please contact us before your arrival and we will do our best to help with any accommodations.

If your team is traveling without a certified athletic trainer, please inform us before your team arrives on campus. Please ensure your team has a medical kit and written documentation detailing any taping needs. Modalities other than heat and ice will only be administered if deemed medically necessary.

On game day the following will be provided:

- Water
- Cups
- Injury ice/bags
- Emergency equipment as PRN

Should you need more detailed information than what is provided in this letter please access the [Davidson College Sports Medicine Website](#). We hope you have a safe trip to Davidson. If there is anything else we can assist you with, please don't hesitate to call.

Sincerely,

Dathan Zabel, MS, LAT, ATC
Assistant Athletic Trainer
